

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF WEST VIRGINIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

CRIMINAL NO. 1:15CR83
(Judge Keeley)

NATHANIEL WALKER,

Defendant.

**ORDER ACCEPTING AND ADOPTING MAGISTRATE JUDGE'S
OPINION/REPORT RECOMMENDATION CONCERNING PLEA OF GUILTY IN
FELONY CASE (DKT. NO. 14) AND SCHEDULING SENTENCING HEARING**

On September 14, 2015, the defendant, Nathaniel Walker ("Walker"), appeared before United States Magistrate Judge John S. Kaull and moved for permission to enter a plea of GUILTY to the one Count Information. Walker stated that he understood that the magistrate judge is not a United States District Judge, and consented to pleading before the magistrate judge. This Court had referred the guilty plea to the magistrate judge for the purposes of administering the allocution pursuant to Federal Rule of Criminal Procedure 11, making a finding as to whether the plea was knowingly and voluntarily entered, and recommending to this Court whether the plea should be accepted.

At the outset of the hearing, the magistrate judge accepted Walker's waiver of indictment pursuant to Rule 7(b) of the Federal Rules of Criminal Procedure. Since the offense charged in the Information naming Walker is punishable by a term of imprisonment

of greater than one year, the Court questioned him to determine if his waiver of prosecution by indictment was being freely given in a sober and knowledgeable fashion.

The magistrate judge then advised Walker of the nature of the charge in the Information, and confirmed that he had read and reviewed it with counsel.

Next, the magistrate judge explained Walker's constitutional right to proceed by a grand jury indictment, and that the United States is able to charge him by Information only if he waives this right. The magistrate judge explained the Grand Jury process to Walker, following which he confirmed his understanding of this right, and that, by waiving it, the United States could proceed to charge him with the Information as though he had been indicted. Walker then signed a Waiver of Indictment in open court, which the Court ordered to be filed.

Based upon Walker's statements during the plea hearing and the testimony presented by the Government establishing an independent factual basis for the plea, the magistrate judge found that Walker was competent to enter a plea, that the plea was freely and voluntarily given, that he was aware of the nature of the charges against him and the consequences of his plea, and that a factual

basis existed for the tendered plea. On September 15, 2015, the magistrate judge entered an Opinion/Report and Recommendation Concerning Plea of Guilty in Felony Case ("R&R") (dkt. no. 14) finding a factual basis for the plea and recommended that this Court accept Walker's plea of guilty to the one count Information.

The magistrate judge also directed the parties to file any written objections to the R&R within fourteen (14) days after service of the R&R. The magistrate judge further directed that failure to file objections would result in a waiver of the right to appeal from a judgment of this Court based on the R&R. After which, the parties did not file any objections.

Accordingly, this Court **ADOPTS** the magistrate judge's R&R, **ACCEPTS** Walker's guilty plea, and **ADJUGES** him **GUILTY** of the crime charged in the one count Information.

Pursuant to Fed. R. Crim. P. 11(e)(2) and U.S.S.G. § 6B1.1(c), the Court **DEFERS** acceptance of the proposed plea agreement until it has received and reviewed the presentence report prepared in this matter.

Pursuant to U.S.S.G. § 6A1 et seq., the Court **ORDERS** as follows:
